- By submitting this Application, we agree to the following terms and conditions as described below:**
- Do not commence any work or modification until written approval is granted. If work begins prior to being authorized, the Owner will be fined.
 - All installations, alterations and modifications shall be of professional design, quality and materials.
 - The Board of Directors / Architectural Review Board reserves the right to require additional information & request modifications to the original plans.
 - Any approval granted herein is subject and conditioned upon obtaining the necessary approval / permits required from any City and/or County Building and or Zoning Departments, as may be required in accordance with the local codes, laws and ordinances, prior to the commencement of work. It is the Owners responsibility to provide said information to the Association to validate the Architectural request.
 - Access to areas of construction is to be made exclusively through the individual owner's lot, property and/or unit entrance only.
 - The owner shall be ultimately responsible for any damages incurred to common property, other property and personal injury as a result of the modification or improvement, as well as any additional maintenance cost that may be incurred, as a result of the modification, improvement, violation of the rules and regulations and / or negligence on his behalf and / or his contractors, vendors. The Association has the irrevocable right to subrogate damages, expenses and the cost of defense to the Owner.
 - During construction of any approved modification or improvement, all portions of the property shall be kept clean, neat and in an orderly condition at all times. Any debris, trash or mud resulting from the construction shall be promptly removed or remedied, as appropriate, from the lot, unit, limited and/or common elements on a daily basis.
 - Abide with the Association's authorized days and approved hours for construction and modification as listed on the Rules and Regulations.
 - All contractors must be properly licensed and insured for liability. Proof of such is REQUIRED prior to the commencement of the modification.
